

License Removal Instructions

- Press and hold the SHIFT key while double-clicking on the application icon. In Windows 7, keep the SHIFT key pressed while answering the User Account Control dialog.
- Select "Remove License" and enter the provided Activation Code – if you do not have an Activation Code, send the Site Code and MID to licensing@bitifeye.com to get one
- Click on continue and confirm the license removal
- Save the shown Removal Code and send it to BitifEye.
(You can copy the text string using CTRL-C)
